

Ellen Zaroff, President
Forix Foundation

September 17, 2021

Dear Forix Foundation,

I, Dr. Urvi Wagh an aspiring Ophthalmologist, would like to thank Forix Foundation from the bottom of my heart for giving me a grant for this workshop that I am attending at HelpMeSee Powai, Mumbai, India.

This workshop has made a lot of difference in my surgical skills that I had acquired or was about to acquire in my residency days, and surely is a worthwhile experience that I have got in these days. Excellent organization of the workshop with lovely people and teachers.

Thanking you once again for giving me this opportunity.

Regards,

Dr. Urvi Wagh
